Professional Experience

FUSION MEDIA

UX/UI Designer

Brewster, New York

August 2020 - February 2024

I began working for Fusion Media as a Design Intern and was then brought on as their UI/UX Designer. In this role I strengthened my technical skills and gained valuable exposure from working for multiple Fortune 500 clients.

- Led design & development for 2 apps which simplified access to sales materials (*L'Oréal / Quaker*)
- Implemented design refreshes with updated design guidelines for 5 brands
- Managed 6 client relationships and routinely met to present progress updates
- Collaborated in diverse studio team to meet deadlines and prepare deliverables

UNIVERSITY OF CONNECTICUT

Resident Assistant

Storrs, Connecticut

August 2020 - December 2022

The RA position required a strong focus on leadership, mentorship, and conflict resolution. I acted as a community leader to support residents in their academics and offer help when they had mental health or safety concerns.

- Supervised and mentored 94 total students
- Acted as mediator to resolve residents' interpersonal conflicts
- Completed administrative duties (inspections, incident reports, and maintenance reports)

BOEHRINGER INGELHEIM

IT End User Experience Intern

Ridgefield, Connecticut

May 2020 - August 2020

During my internship with the EUX Team, we were tasked with the creation of an AR-enhanced onboarding brochure. My job was to interview recent hires, study pre-existing materials, then visualize the data for the team.

- Developed user experience survey to be used in interviews
- Met with over 100 new hires and interviewed them regarding their experiences during the onboarding process
- Conceptualized interactive onboarding brochure based on data from research and user needs

Education

UNIVERSITY OF CONNECTICUT

Bachelor of Arts; Major in Digital Media & Design

Storrs, Connecticut

August 2019 - December 2022

The Digital Media and Design Major exposed me to the technology and practices used within the field. I studied under the guidance of experienced professionals and gained core understandings of Marketing, Business, and Design.

Alpha Lambda Delta National Honors Society

Honor society membership earned for GPA and class standing
